**Daniel Joseph Dietmeyer**  
**July 26, 1956 - February 26, 2005**  
 Dan's Life Reflected The Motto:  
 "Life is not a journey to the grave with the intention of arriving safely in a pretty and well-preserved body, but rather to skid in broadside, thoroughly used up, totally worn out and loudly proclaiming, WOW, what a ride!"  
 Brother, A term used loosely among today's bikers. Brother, The name I called my friend Danny, not by blood, but brothers from the heart.  
 We started riding Harleys back in 88'. Rode back from Sturgis, bellied up to the bar in Cheyenne, and got thrown out for having too much fun. Broke down in Trinidad, CO, used a crescent wrench, bailin wire and bubble gum to get home. Never had so much fun. Danny had a large family of friends and is greatly missed by all. God rest his soul. Miss You Brother.  
 A Bike Show will be held 11:00 a.m. - 5:00 p.m., Sunday, February 19, 2006 in memoriam for Dan Dietmeyer, Shannon Rose and Lori Walker at Nevada Smith's Saloon, 1175 West Miracle Mile, Tucson, AZ. 622-9064

 We will have the meal and time for people to share their memories of Ed. There will be a short introduction to the objects visible in the night sky. Telescope observing, courtesy of the Tucson Amateur Astronomy Association, will occur after dark.
