

Rose Garcia-Sneller
Daughter-Sister-Mom-Wife-Tia
and Nina Rosie

The Superintendent of Heaven schools announced that Rose Garcia will be the new principal at New Angel Learning Center beginning October 22, 2007. Her first teachers were her parents, Baltazar (pastor), now deceased, and Francisca Garcia who survives her. Rose began her teaching career early by instructing her sister, Damaris Rivera (Armando) and brother, Balty Garcia (Veronika). Rose continued her teaching through her son, Josue Carrasco, her pride and joy. Eleazar Carrasco is father to Josue. The angel that brought so much joy to Rose's life was her grandson, Koby Carrasco. It was his energy and spirit that was her medicine to make her bad days good. Her beloved husband, Dr. Mark Sneller, and Rose were happily married for 11 years. They shared many happy adventures in places such as Puerto Vallarta, Cancun, Mazatlan, Acapulco, Hawaii, Alaska, and many others, but their favorite getaway was Oracle, Arizona. Her most recent students were her two nieces and two nephews, Ismari Garcia, Roxanna Rivera-Pelton (Miguel), Joel Garcia, Quetzal Garcia, and her lifelong colleague Rosa Garcia, sister-in-law. La Rose received her bachelor's degree at Northern Arizona University, and later obtained two different master degrees from the University of Arizona. She taught at Davis, Peter Howell and Miles Elementary schools. She was also principal of Miles, Maldonado, Van Buskirk, and Keen, completing 31 years of service and dedication to students and parents of Tucson Unified School District. Rose dearly loved her family, children, butterflies, chocolate, the color purple, and the spirit of the indigenous people. A celebration of Rose's life will be Saturday, October 27, 2007 10:00 A.M. **BRING'S BROADWAY CHAPEL**, 6910 E. Broadway. Rose's wishes were for any expression of memory on her behalf be made to the Susan G. Komen Foundation, 4560 E. Broadway Blvd, #201, Tucson, AZ 85711.

"My dear family and friends, let me disappear into the sky among the clouds and stars, allow me to return to him who made me. Know always that my love and spirit remain with each of you. Please release me joyfully, knowing I am at peace."
