Sessions

- 1. Manuscript Collections for African- American Genealogy** **Presented by Debbie Abbott**
Discover information regarding your ancestors on manuscripts in various collections.
- 2. Blogging Your Way to Genealogical Success** **Presented by Larry Boulden**
Getting your personal and family history together. Planning and carrying out your interviews.
- 3. WIKI – Its Many Uses In Genealogical Research** **Presented by Casandra Brown**
Many facets of the FamilySearch WIKI can move you forward in your research.
- 4. Breaking the Brick Wall: Using Courthouse Records** **Presented by Debbie Abbott**
Discover ways to use courthouse records to smash through the brick wall that is keeping you from moving forward in your research.
- 5. The FamilySearch™ Websites - An Overview** **Presented by Betty Franklin**
The many different things found through the FamilySearch websites.
- 6. Using The Family History Library Catalog: More Than A Catalog** **Presented by Diana Crisman Smith**
The FHLC can be used for far more than just a catalog of the holdings of the Family History Library and the Family History Centers. Learn to identify items which are available online (digitized), and how to use the catalog to find where the original of an item resides.

Mail the registration form on the other side to:

P O Box 45331
Westlake OH 44145

7. It Takes A Village: Community Research

Presented by Diana Crisman Smith

Sometimes an individual or family is difficult to find among the same or similar names in an area. Using community concepts to pinpoint the right family and to "flesh out" the environment in which your family lived.

8. Yes, Virginia, It Is Possible: Researching For FREE Via the Internet

Presented by Gary M. Smith

Everyone has heard about genealogy subscription sites, but do you know about the excellent sites that you can research for free?

9. There's More to the Internet Than Surfing

Presented by Gary M. Smith

Surfing may be fun, but it can be downright exciting when you start with a plan and see the results that can be obtained when you follow that plan.

10. Indexing to Help Put Millions of Ancestors on the Internet

Presented by Gary Teaman

A way to give back for all you have received through your Genealogical Research

11. Organizing, Archiving and Preserving Genealogy in the Digital Age

Presented by Marti Halliday

Putting it together and saving it in a permanent way.
