Me and My Girls

***"I'm Free"***

*Don't grieve for me; I'm free  
I'm following the path God laid for me.  
I took His hand when I heard Him call;  
I turned my back and left it all.  
I could not stay another day  
Enough, to love, to work or play—  
The stuff I'd done must stay that way.  
I've found that peace comes at the close of day.  
If my departing left a void,  
Fill it with remembered joy,  
A friendship shared, a laugh, a kiss—  
Ah yes, these things I too will miss.  
Be not saddened with times of sorrow.  
My life has been full; I've savored much,—  
Good friends, good times—a loved one's touch—  
Perhaps my time seemed all too brief;  
Don't lengthen it now with undue grief;  
Lift up your heart and share me,  
God wanted me now; He set me free.*

*To My Beloved First Born:*

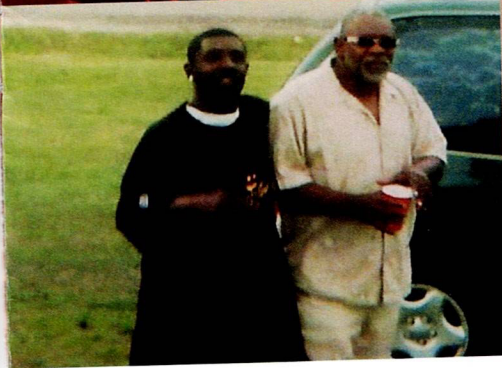

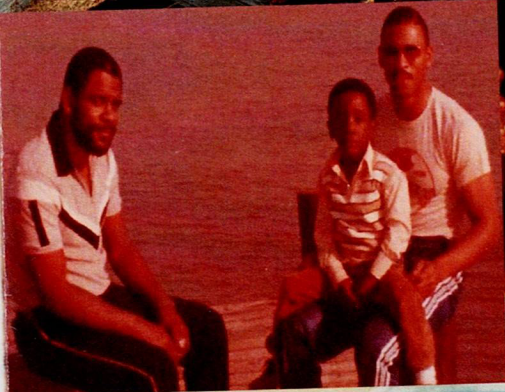

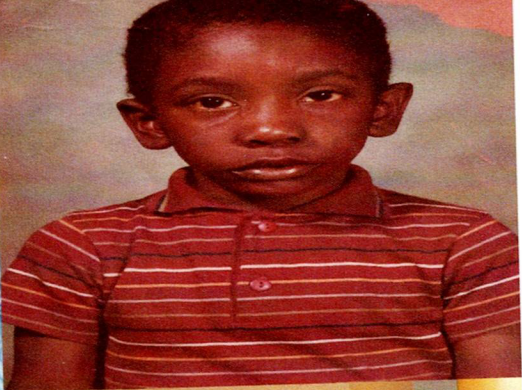

*When I first laid eyes on you, you lit up my heart and soul. You were my "Little Angel" when they put you in my arms you were a bright shining star when I looked at you I had the biggest smile on my face you were my sunshine. As you continued on you turned into a man you became my rock and my best friend. You always think of others and you put yourself last. You were always generous and charismatic and very patient. Every time I would look at your handsome face my heart would race. I will miss your hugs and your kisses. I thank God that he chose you to be my son for thirty-four years and I will always love you and I will miss you deeply. With all my heart you will always be in my heart, you were my beautiful baby and I will always love you I will miss your smile and your jokes. When I look up into the sky I will feel your presence.*

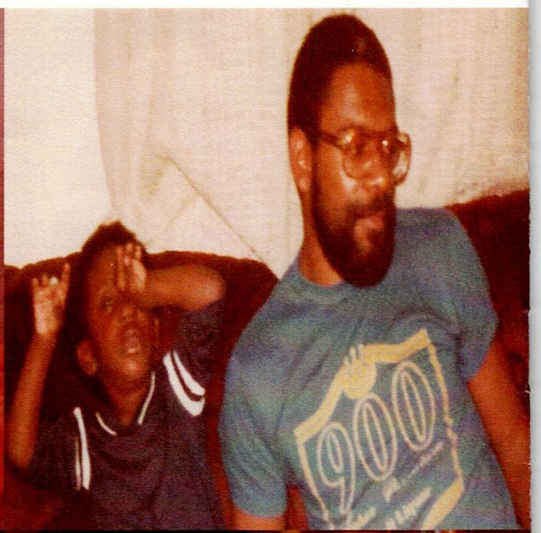

*With all my love  
Mom*
