A Celebration of a Christian Mother

"Peace I leave with you, my peace I give unto you."

On November 25, 1915 in Groveton, TX, Gipson and Emma Towns Moten welcomed into their home a baby daughter they named Inella Marion Moten. She was the second of three children born in this Christian family.

In the 1940's, she married Mr. William Callahan and to this union, five sons were born. This union lasted over 60 years. She was a devoted wife and mother, one who always put the interests of her family first, who saw to it that her children were given the best she could provide, in loving care, spiritual nourishment, and material comforts. The example she lived day by day will ever be a goal for her family to strive to reach. She united with the Baldwin Chapel Baptist Church in the year of 1921 along with her lifetime friend, Sister Burnett Murphy Tubbs. She was faithful to her church, always present at every service unless providentially hindered from being there. She served in many capacities of the church and community.

She was preceded in death by parents and brothers (Gipson Jr. and William T. "Kiser").

****Cherished survivors includes her husband William Callahan Sr., Groveton; sons William M. Callahan Jr. (Linda), Angleton, TX; Robert G.
