# Obituary

*A precious one from us is gone  
A voice we love is still  
A place is vacant in our hearts  
That never can be filled.  
Safe in the arms of Jesus  
Safe on His gentle breast  
There by love over shadowed  
Sweetly his soul shall rest.*

### Appreciation

God looked around His garden  
And found an empty space  
He then looked down upon the earth  
And saw your tired face.  
He put His arms around you  
And lifted you to rest.  
God's garden must be beautiful  
He always takes the best.  
He knew that you were suffering  
He knew you were in pain  
He knew that you would never get well  
On this earth again.  
He saw the road was getting rough  
And the hills were hard to climb  
So He closed your weary eyelids  
And whispered "Come On Home".  
It broke our hearts to lose you  
But you did not go alone  
For part of us went with you  
The day God called you home.
