*When I Must Leave You
For A Little While*

*When I must leave you for a little while
Please don't grieve and shed wild tears
And hug your sorrow to you through the years,
But start out bravely with a gallant smile,
And for my sake and my names,
Live on and do all things the same.
Feel not loneliness or empty days
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near
And never, never be afraid to die
For I am waiting for you in the sky.*
