To My Dear Family....

*I know that you're all sad and hurt, but don't worry, I'm in the best of hands.
Where my suffering, pain, and crying is no more, now that I rest in peace.
When you think of me, think of the Good Times we've shared. Even though
you can't see nor touch me, know that I'll always be near. Let every tear that
falls, be the ones of Joy. And when you have come this way, I'll meet you and
say "Welcome Home"!! "Im at Sweet Rest"*

A Special Mother...

When you have a Mom who cares so much for you that anything you want comes before her desires. When you have a Mom who is so understanding that no matter what is bothering you she can always make you smile. When you have a Mom who is so strong that no matter what obstacle she faces she is always confident in front of her children.

That was our kind of Mom.

Mom was so active she always had time for her children, sharing her most favorite jokes and words of wisdom. We laughed about the good times and even some of the bad ones. Her sense of humor was beyond compare. Mom was a poor lady but rich in spirit. Mom was a weak lady but strong in might.

Our Mom lived one day at a time; enjoying one moment at a time and accepting hardship as the pathway to peace.

We are very lucky indeed to have such a wonderful Mom like you. Having you made it easier to grow up into loving, strong adults.

Mom, although we will miss you more than words could ever say; in our hearts we know you are in a better place. A place where peace, joy and happiness is eternal.

*We love you Mom. And we will miss you more than anyone will ever know. We know we will see you again, so for now we say: "See you later, Mu-
Dear!!*

Love,

*Doris, Alma, Lee, Sonny, Fay,
Shell, Johnnie, Willie, Ann, & Clifford*
