Apple Springs FFA shines in San Antonio

The 2015 FFA team from Apple Springs High School was recently awarded the Blue Ribbon of Excellence in the Agricultural Mechanics Project Show at the San Antonio Stock Show and Rodeo. The team of Dustin Pickle, Matthew Suggs, Caleb Gabriel,

the 400 other entries from around the state. The trailer, built from the ground up by the students, is quite a piece of craftsmanship. Apparently, the judges in San Antonio agreed. In order to receive the Blue Ribbon, the project had to have less than 10 total deductions. Next for the Ag

to enter the trailer in the local show.

The Apple Springs FFA Chapter is under the direction of Mr. Craig Smith. He received assistance and encouragement for the San Antonio show from Mr. Richard Gibson.

Congratulation to Mr. Smith
