*Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.*

## TRIBUTE

### Sisters

*It seems as though it was only yesterday that we were all together laughing and playing. You will forever remain vivid in our hearts today, tomorrow and always.*

### Children

*The love between a mother and her children is so very special. We will never forget the love you shared, your smile, your devotion, and the sincerity you showed to all. You will live in our hearts forever. We loved you Mother but God loved you best.*

### Great Great Grandchildren

*Although we didn't know you long  
We felt the power of your love  
You were our special Granny  
Through other family members  
Your love we'll for us we'll remember  
And your image we'll keep in our hearts.*

### Friends

*Many of life's treasures are here today and gone tomorrow.  
But the gold of Friendship is a magic thing...the more we spend  
it on each other, the richer we become.*

### Tribute To Our Grandmother

*For you have gone away, and we are so sad.  
You may be gone from this earth and our eyes  
will lay upon you no more.  
You'll always have that special place in our hearts.  
We, none of us understands why you had to go.  
Our guess is that God needed you most.  
So the Lord took you out of pain to a most peacefully  
place.  
All your worries ~~are~~ has been laid away.  
Mother if you could hear what we're saying, we  
know that you would know without saying so.  
But we need to say it anyway.  
We all love you so very much and missing you we'll  
do all of our days.  
Because of your love, we'll be strong.  
You taught us strength and love.  
Your love for us we'll never doubt.  
It's so hard for us to say good-bye .  
So we'll just say so long until we all meet again.  
Sleep in peace Mother.  
Your Grand And Greatgrand Children*

*To Those I Love  
And  
Those Who Love Me*

*When I am gone, release me, let me go  
I have so many things to see and do  
You musn't tie yourself to me with tears  
Be happy that we had so many years.  
I gave you my love, You can only guess  
How much you gave to me in happiness.  
I thank you for the love you each have shown,  
But now it's time I traveled on alone.  
Grieve a while for me if grieve you must;  
Then let your grief be comforted by trust.  
It's only for a while that we must part  
So keep the memories within your heart.  
I won't be far away, for life goes on  
So if you need me, Call and I will come  
Though you can't see or touch me, I'll be near  
And if you listen with your heart, you'll hear  
All of my love around you soft and dear.  
And then when you must come this way alone.  
I'll greet you with a smile and say,  
"Welcome Home"*

## Acknowledgement

*"The word thanks has few letters but is of great importance. When used loosely it is often overlooked, but when expressed from sincere, grateful hearts it takes on unparalleled significance. To all that have been instrumental in reducing our burden of grief in the loss of God's own and our beloved. The Family genuinely says "Thanks".*
