*"To Our Loving & Devoted Son
Sam Jr.*

You were our precious and devoted son. We loved you more than life itself. We are so proud of how you carried yourself and your devotion to the Lord. You are a good role model for other young men because you were raised in a Christian home, at an early age and this was instilled in you through out manhood. You are our special son and we love you so much. Heaven must be a beautiful place I know. We realize now that you have a home on the other shore. We want you to know that you are our hero, you are the wing beneath our wings. We want you to know that no mountain high enough to keep us from you, you have never left us, and your spirit will live within us in the days to come. We thank God for sharing you with us. Now you are safe in the arms of Jesus. Sleep well our precious son.

*Love,
Mamma & Daddy*

Psalm 23rd

The Lord is my shepherd, I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He restoreth my soul; he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before mine enemies; thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord for ever.

"Gifts That Last a Lifetime"

As a writer once wrote when they were away from the one that they love, time is the greatest healer.

Today I saw somebody who looked just like you; they walked just like you too. And I thought it was yours they turned the corner. I called out your name but it was not you. But that is okay because you have already given me a gift that will last a lifetime. Precious Stones & Precious Pearls can not amount to the special bond we both shared. You were dynamic and unique within yourself. You were a gentlemen that gave so much and asked for so little in return. You will always be mom, dad, and mine little soldier. Your faith in God was unshakeable. We are proud of you Bam! Heaven has opened its doors to embrace its loving son. You gave mom, dad, and your sister enough gifts to last us a lifetime. Sleep well my Brave Prince!
