IT TAKES COURAGE

*It takes courage to smile when the world is dark
And the sun just refuses to shine,
When you've lost your way and your heart is sad
And the path is an upward climb,
It takes courage to hope when your hope is gone
And nothing just seems to be right.
Today just an echo of yesterday's gone,
With naught but the darkness of night,
It takes courage to smile, it takes courage to hope
A courage when all else is gone,
When clouds overshadow the sun in your sky
It takes courage to smile and go on.*

ACKNOWLEDGEMENT

Perhaps you made a comforting call,
Or sat quietly in a chair.
Perhaps you sent a lovely card, telegram, or funeral spray,
If so, we saw it there.
Perhaps you spoke the kindest words,
As any friend could say.
Perhaps you were not there at all,
Just thought of us that day.
Whatever you did to console our hearts,
We thank you so much, whatever the part.
