

1770 Amelia County PPTLs

The 1770 AMELIA COUNTY PPTLs – Note: two different formats (explained below)

EXPLANATION OF COLUMN HEADINGS

NAME: the name of the person paying the Tax

LIST: The initials of the person who compiled the tax list on which the individual appears (an indication of the geographic area and the parish where these individuals lived.

THE TAX "COMMISSIONERS" FOR 1770, AND THEIR AREA/PARISH

CF = Christopher Ford, Raleigh Parish

BW = Ben Ward, Raleigh Parish

JB = John Booker, Raleigh Parish

SC = Stephen Cocke, Nottoway Parish

TM = Thomas Munford of Raleigh Parish

TW = Thomas Williams, Nottoway Parish

VB = Vivion Brooking, the lower part of Raleigh Parish; this list was *very* difficult to read (**smudged, blurred data listed as "X" in Tables**)

In 1770, three of the commissioners (JB, VB & SC) used the same column headings as previous PPTLs, whereas the other 4 commissioners ceased to list the acres (if any) that each taxpayer owned, and instead listed Total Tithes. Thus, this year's PPTL is divided into **TWO tables**, to reflect and different formats.

OTHER WHITE MALE TITHES: The names of other men above the age of 16, whose tax was paid by the taxpayer. When of the same surname, these were usually sons of the taxpayer. Otherwise, they were guests, overseers or other employees.

COMMENTS

Land = individual taxed only for land, not for self; exempt for some reason.

List = individual named not taxed for self; exempt, or taxed personally elsewhere.

List? = number of individuals named is one more than number taxed; List implied but not stated.
