November 28, 1918-September 6, 2006
Honey, there isn't a moment that I don't think of you and how much I miss you and love you. Our memories keep me going. But I know your spirit is with us and you are taking care of us as always. Daddy, we miss you so much and your words of wisdom. Always remember that we love you. God Bless You, Honey and Daddy. A permanent memorial and guest book has been established for you at Legacy.
