**Dora Alvarado**

82, was born to Grace and Rodrigo Romero in Tucson in 1925. She went onto her next life September 20, 2007. Loving sister of Max, Albert and Norma who preceded her in death; survived by Eleanor, Evelyn, Jeanne and Anthony and many cousins. During WWII she was proud to be a riveter on planes at Hughes. She married Maurilio Alvarado in 1951 and together they raised nine children. She was a loving mother and wise teacher to her children, Fernando, Martin, Bernabe, Theresa, Eugene, Sylvia, Patricia, Maury, and Anna as well as to their spouses, 26 grandchildren, 20 great-grandchildren and one angel. She will be remembered for her unconditional love, moral guidance, storytelling, sense of humor and her love of gardening and reading. We all miss her, especially Frankie, Julissa, and Fernando, but she'll live in our hearts forever, a true sister, mom and nana in every sense. Thank you Tata for taking such good care of her.
