Robert Grant Camwell

Born August 15, 1948 in Buffalo, NY to Albert and Mary Margaret Camwell. Passed away October 19, 2007 surrounded by precious family and friends in Tucson, AZ.

Bob did not "go gently into that good night", but raged against the diseases that finally took his life. His passion for living and learning, his belief that all peoples had more in common than have differences, his lifelong struggle for peace, justice and racial equality, his respect for all things good, his love for family and friends, and of course his delight for all things "bright and shiny" allowed him to face his last challenge with strength, hope, dignity and humor. Bob's answer to medical treatment was "put me in coach". He had a wonderful team of healthcare providers willing to go extra innings. They worked together to give him a chance to play the game, win or lose. He was very grateful for that opportunity. For Bob there were no problems, just challenges and opportunities. A very special thank-you to Bob's mother-in-law, Joan M. Fish of Las Vegas, NV for her time, her compassion, her love, her patience and her willingness to play innumerable games of cribbage. Joan cared for Bob during his last five months. She made it possible for him to stay in the home he loved, in his nest filled with memories and mementos of a well-lived and well-traveled life. We are eternally grateful to her: Wife, travel buddy and best friend, Doreen Fish. Sister, Mary Anne Reyman and her husband Tom of Scottsdale, AZ. Brother, William Camwell and his partner Sharon Turner of Kurtistown, HI. Nephew, Christopher Reyman, his wife Shiela and their daughter Brittney of Mesa, AZ, and many special friends and in-laws.

A memorial and celebration of Bob's life will be held on Sunday, November 18, 2007 at 2:00 p.m. at Saguaro Christian Church, 8302 E. Broadway Blvd, Tucson, AZ (entrance off Sarnoff Rd.)
