GILMORE, Jerry A.
b. 5 Oct 1940 - 2007

Master Sargent Jerry A. Gilmore

We are sad to report Master Sargent Jerry A. Gilmore US Army retired. Born October 5, 1940 passed due to complications of prostate cancer. It was our honor and privilege to know such a brave, honorable, brilliant and loving husband, father, brother, and soldier. Jerry had a quiet strength that was unmeasurable.

He not only served his country with honor and was a highly decorated veteran, but he made sure his wife and children were never in harms way. He is preceded in death by his parents, James and Sylvia Gilmore; infant brother, James; sister, Peggy; grandson, Kyle James Rader and nephew, Eric Allen. Also his beloved dog, Molly (the other woman) who is waiting for him at the Rainbow Bridge. My darling, your pain and suffering are over, may God always hold you close to his heart as we do.

Jerry is survived by his wife, Pam; sons, Ron, Jim and Chris Rader; his sons, James and Thomas and daughters, Pamela and Laurie; brother, Thomas; sisters, Barb, Judy, Brenda and Janyce, their spouses and families.

We would like to thank Dr. Frederick Ahmann for his honesty and caring friendship during Jerry's years of care. Also research nurses Phylliss Marx and Laurie Judge, along with all the amazing nurses on 5 west at UMC for their care of all of us not just Jerry. No more compassionate care could be found.

In lieu of flowers, please send donations to: Greyhound Adoption League, 4310 S. Calico Lane, Tucson, AZ 85735. Interment will be at Veterans Memorial Cemetery, Sierra Vista with full military honors at a later date.
