

**LYON COUNTY
KANSAS**

MARRIAGE INDEX

VOLUME 2

JANUARY 1, 1890 - DECEMBER 31, 1899

*COMPILED SEPTEMBER 1998
BY
FLINT HILLS GENEALOGICAL SOCIETY*

NOTE

The master index to Marriage Book F records the marriage of **Minnie Matthews** to **F.S. Olney** on March 6, 1893, recorded on page 271. However, after thoroughly reading Marriage Book F, and all marriage books up through December 31, 1919, no actual record for this marriage can be found. Perhaps it was indexed with the intention of being recorded on a page but never got done.

Introduction

This book is intended to be a research aid for those tracing their Lyon County, Kansas ancestry. The information for this book was obtained from the microfilm indices to the marriage records recorded in Lyon County, and reviewing the microfilm record to clear up discrepancies. Due to the difficulty of interpreting handwriting and spelling in old records on microfilm, it is impossible to do a book of this kind without errors. For this reason, it is suggested that the record be reviewed. For each marriage, the records contain the name of the groom, bride, their ages, places of residence, date of license, date of marriage, minister and place of marriage.

The index is an alphabetical surname listing of the brides and the grooms. Thus, each marriage appears twice, once under the brides' surname and once under the grooms' surname. The date of the marriage is listed. If the marriage license was not returned indicating a marriage, then the only record is the issuance of the license. These situations are indicated in this index with the year of the marriage date as "no record". The last column is the Book and Page number of the marriage license and record.

It is not suggested that these are the only marriages that took place in Lyon County, especially in the early years. Another source of marriage records would be the index to early newspapers compiled by Bob Hodge. There are newspaper accounts of some marriages occurring in Lyon County that are not recorded in the marriage records.

Copies of the marriage records cited in this index are available from Flint Hills Genealogical Society, PO Box 555, Emporia, KS 66801, for a nominal fee. Contact Flint Hills Genealogical Society for any other research needs, copies of this book, copies of Volume I Marriage Index (May 4, 1856 - December 31, 1889) or Volume III Marriage Index (January 1, 1900 - December 31, 1909) or a list of other publications available.

Thank you to Regina Falchetto, Brenda Lavington, Frances Saueressig, Don Smith, and Leonita Smith for their time in copying, reading, typing, and compiling this information. Also a special thanks to the staff of Emporia Public Library for their on-going support of our organization and projects.
