Introduction

Early Marriage Records of Lyon County, Kansas Volume 2

This book is intended to be a research aid for those tracing their Lyon County, Kansas ancestry. The information in this book was obtained from Volume 2 Vital Records Book which was maintained in Lyon County, Kansas prior to the state wide retention of these records. The Kansas Department of Health and Environment, Office of Vital Statistics, Landon State Office Building, 900 SW Jackson, Rm. 151, Topeka, KS 66612-2221, has birth and death records since July 1, 1911, marriages since May 1, 1913 and divorces since July 1, 1951. To verify current fees, call 785-296-1400.

The records are alphabetized by the grooms surname. An index in the back contains the brides, bride=s father, bride=s mother, groom, groom=s father and groom=s mother. If there is a corresponding marriage license and record recorded with the Clerk of the District Court of Lyon County, Kansas, the record book and page number is noted for reference. The page number on which the record is found in Volume 2 of the Vital Records Book is also noted.

It is not suggested that these are the only marriages that took place in Lyon County, especially in the early years. In addition to the original marriage license and records, another source of marriage records are the indices to many early newspapers compiled by Robert ABob@ Hodge. There are newspaper accounts of some marriages occurring in Lyon County that are not recorded in the marriage records. Due to the difficulty of interpreting handwriting and spelling in old records, it is impossible to do a book of this kind without errors. The records were extracted as written, including misspelled words. For this reason, it is suggested that the record be reviewed. Copies of the page from the Vital Records Book that contains a specific record are available from the Lyon County Historical Society, 118 E. 6th Ave., Emporia, KS 66801 or the Flint Hills Genealogical Society, PO Box 555, Emporia, KS 66801-0555. FHGS can also provide copies of the marriage license and records cited. Contact Flint Hills Genealogical Society for any research needs, copies of this book, or a list of other publications available.

Thank you to Greg Jordan, Director, Lyon County Historical Society for his accommodations and support of this project.
