

Americus Cemetery Hand-written Records

These records span 1870-1900 and then jump to about 1930 with very careful records kept in the 1930s and 1940s. After that, sporadic notations were made up until 1990. These records indicate the date of death and the lot number for lots in the original cemetery plat. Some graves are unmarked. An accompanying map shows the layout of the cemetery in 1870 with the north border being the Kaw Indian Reserve. The cemetery has since been expanded to the north and to the south.
