I am creating my family tree the Brien dit Desrochers and some of them immigrated to USA and Manitoba, one of them Antoine Brien left around 1812 for Fort William, he was making the trip for McTavish and McGillivray, in my research I trace him in Qu'Apelle, Lebret and after in Pembina North Dakota and he was married to Genevieve Grant, did not trace where, and they ave 14 childrens by the documents I have edited by Gail Morin.

I also know he was in St-Joseph and had built his house in St-Claude, close to the church.

The other Family Philippe Brien was doing the same job and he was in Fort des Prairies around 1840 or 42. he spouse Catherine Pineai in Fort des Prairies September 14-1842. According to Gail Morin he was in St-Albert Lebret and Fort Pitt.

Some of them change there name for Brillant Bryant Desrochers Durocher Derusha.

I will appreciate it very much if anyone can supply me information and I will gladly supply my information to anyone who will ask me.

Thanking you in Advance, Sincerely yours Jean Desrochers, Montréal Quebec H1B-3T6

FISCHER/FISHER: Valentine, Fred, Charles and William Fischer who lived in Pembina county and appear in the 1900/1910/1920 census appear to be the sons of John and Elizabeth Fisher (both b. Germany) of Bentinck, Grey South, Ontario. This family is in the 1881 census of CAN. (Valentine is spelled somewhat phonetically Faldien) I cannot connect them with the Christlieb and Henrietta Fischer family who lived in Pembina co. approx. 1880-1900 then moved to MN. (children: Theodore, Richard, Albert, Fred, Henry and Emma Moritz) They came from Gissolk, Pomerania, 1868 and are well-documented. Is anyone researching four brothers: Valentine, Fred, Charles and William from ONT?
