Dear Mrs. Schreiner and Pupils

Congratulations on your Diamond Anniversary  
of District 39 of Pierce County.

I was happy to hear from you and will  
try to give you some of the information you re-  
quested.

I was the teacher of the school from 1944-  
1945. As I recall there were 20-25 children in  
grades one through eight.

When I was teaching school I lived in  
Foster driving daily to the school. I am Dorothy  
Budd Moss, daughter of Rev. and Mrs. E. Budd  
formerly of Foster and now living in Pierce.

Since we receive the Pierce County Leader  
I am able to read the whereabouts of many  
of my former students.

In the fall of 1945 I entered the Univ. of  
Wash. Teachers College. Here I met my husband  
Harold Moss and was married March 1946.
