

scouting among friends and relatives for the few pictures I am sending. I couldn't locate one of the entire school, but I recall Gerhardt Ahlmann took one that was published in the Randolph paper so perhaps you could locate the original from him or the Newspaper office. The picture of our family was very poor but perhaps people can get an idea of what we look like from it. If I had more time, I have better ones at home.

I looked through a scrap book I had and it seemed most of the students preferred Ray Rogers, Dale Evans, & Bozo The Clown. We had the usual parties on holidays, a Christmas Program, and played baseball with neighboring schools.
