

1956

Doris, Don, & Duane Schreiner might be interested to know the puppy they gave me just died this fall. We named him Smokey and our family still hasn't gotten used to being without him. He was a favorite with all children.

After leaving Randolph, I worked in Sioux City, Iowa as a sales clerk and in Fremont, Nebraska at a sewing factory. Then in the fall of 1954 I returned to teaching and taught two more years. In 1955 I was married to Frank Halbrook and in 1956 quit teaching to raise our family. We have one boy aged seven and three girls: LeAnn 6, Penny 4, and Jodi 2.
