

Our Mobile Home is in Wau-
kee, Iowa, where we've lived
the past year. Frank works
for Gjellefald Associates, a
Construction Company, so we
have lived in many places
these past seven years.

We'd love to come to your
celebration but I doubt that
we'll make it, the children and
I are returning home at the
end of this week and the
journey to Randolph would
be too great a distance for
one day.

I am sending a dollar for
one of your booklets and any
pictures you don't use, would
you please return?

Thank You,
Lavonne Halbrook
