

Mrs. Richard Hitz, nee Rosabelle Meier
first attended Dist 39 in 1898.

When I read about Dist 39, going
to celebrate its 75th Anniversary
I thought, well I must go to that
because its the only school I ever
attended, with the exception of the
Lutheran Day school at Randolph
which I attended for my confirmation.
I started school in 1898 at the age of
five and attended till the eight grade,
being the youngest of the family of
seven I had a chance to go all the
way through, My older brothers and
sisters were not so lucky as they had
to miss a lot on account of having to
help on the farm.

In those days it was not unusual
having to drop out of school, which
of course now a days you wouldn't get
bye with.

My first teacher was Bertha Corsten
and a lovely teacher she was, to this
day when I see her (which is seldom).
