

Mrs. Richard Hitz, nee Rosabelle Meier
first attended Dist 39 in 1898.

She still seems like my Teacher. My parents boarded and roomed the teachers for nine years straight till Among them was Elsie Porter, John Porter, Mable Bruner, Pearl Folsom, John Fate, Nellie Brown, Nellie Wagner, Florence Palmer Louise Younger, John Stark and others, I'll never forget how worried I was when I got my first man Teacher John Porter, which of course didn't make much difference after all, but I just thought "I would never live thro' it." All in all we had a very nice group of Teachers and had no trouble with any of them.

I remember the school Pond (as it was ~~commonly~~ commonly called) so near the school, and how many times some of us would break thro' the ice and get wet and many times our teacher would have us take off some of
