Greetings from Chris Larsen:

Here's a brief sketch which I hope will prove helpful in making your Diamond Anniversary more complete.

My father sold our farm in Pierce County in 1910 and moved to Tripp County, South Dakota where he homesteaded near Colome. I spent from 1910-1925 in Nebraska and South Dakota. South Dakota being my home.

In 1925 I married and we have made this area our home. We have three daughters which are all school teachers. Geraldine Martinsen, Sheridan, Wyoming; Norma Jean Davis, Gregory, S. Dak.; and LaVerna Knutsen, Winner, S. Dak. We have two granddaughters, Linda Sue Davis and Angela Kay Davis.

In 1930 we moved on a farm. In 1938 started ranching and ranched until 1962 when I retired. We purchased our present home at 935 East 6th St., Winner, S. Dak. and extend a cordial invitation to all of our old friends for a friendly chat and a cup of coffee.
