Dear Miss Hoffman,

Thank you so much for remembering me in regard to the 75th anniversary of Dist. No. 39.

I won't be able to attend because of the baptism of my youngest grand child is scheduled for that Sunday also.

So I will send a family picture we had taken in '62. The 2 girls and oldest son are married. The second son is in the service and the youngest son is in 2nd yr. High School at Beresford.

I haven't had children in school quite as long as mother did at Dist. No. 39. from the time our oldest girl started and the youngest finished 8th grade was 20 yrs. at the same country school "Silver Lake" Dist No. 59. Lincoln Co. Beresford So. Dak. build 1889 So Dist. 39 is 1-yr older.

This is your picture to keep. I am sending one to mother for the scrap-book.

Mrs. Herman Thompson.
