Dear Miss Hoffman,

I received your letter informing me of the anniversary of District 39, and was very happy to here from you. I regret that I will be unable to attend the celebration because of the distance involed. I am sure that the celebration will bring back many happy memories to all. We have lived in Denver for the past 7½ years, and like it very much. We have five children, all in school. The youngest being in the first grade and the oldest a senior in high school. Please give my regards and best wishes to all.

May God bless everyone.
