

AD MEN OF WORLD TO MEET IN TEXAS

Promotion of Peace and Progress Main Topic at Convention.

By the Associated Press. HOUSTON, Texas, May 2.—Advertising men of the world will be the underlying thought for the convention of Associated Advertising Clubs of the World, meeting here May 9-14. The general theme of the convention is "Peace and Progress."

Houston is ready for the greatest convention it has ever entertained. The State will be host. More than 5,000 delegates will attend, including representatives of Great Britain, Australia, South America and many European countries.

Four tours have been arranged as features of the entertainment program, reaching San Antonio and Mexico on the west, Beaumont and New Orleans on the east, and Corsicana, Wortham and Dallas on the north. Railroads have scheduled circle tours to other parts of the State.

Gov. Miriam A. Ferguson, United States Senators Hiram Bingham, Connecticut, and Morris Stephens, Texas; Congressman Charles Aubrey Eaton, New Jersey; Bishop C. S. Quinn, Texas bishop of the Episcopal Church; George E. Roberts, Patterson, Calif.; and Mrs. J. H. Patterson, Dayton, Ohio, chairman of the budget committee of the General Federation of Women's Clubs, are among the speakers.

The first event will be a formal reception of officials of the organization and official spokesmen of each club and department of the National Advertising Commission at the city auditorium the evening of May 9.

Addresses of welcome will be delivered by the governor, Mayor O. F. Holcombe, Amos G. Carter, publisher of the Fort Worth Star-Telegram, and William S. Patton, president of the Advertising Association, Houston. The response will be made by Lou E. Holland, president of the Associated Advertising Clubs of the World.

Convention Sermons. The subjects of sermons in Houston churches on Sunday, May 10, will be along the lines of the convention. At the city auditorium in the afternoon of that day the Prairie View Normal Chorus of 125 negro voices will be the singing. Congressmen will be the speakers of the afternoon. Sunday night there will be a concert of Houston's massed bands, the majority of the city's bands playing as one unit. Bishop Quinn and Harry H. Rogers of San Antonio will speak on world peace.

The convention proper opens Monday morning, May 11. President Monday will be C. Harold Vernon of London, Norman S. H. Catts, Sydney, Australia, and Arthur Reberney, Switzerland, will respond on behalf of their countries to addresses of welcome. Representatives of Mexico and South America are to be selected later.

The annual meeting of the National Advertising Commission will be held at noon, May 11. There will be many departmental meetings throughout the convention, touching all phases of advertising. The last afternoon, Thursday, May 14, will be devoted to reports of committees, passage of resolutions and election of officers.

DENIES GOLD THEFT.

Man Shot in Dentist's Office Arraigned Before Sidons. Frederick Edison Veth, 30 years old, who in March was shot when surprised at night in the offices of a dentist, and who is under indictment on two charges of housebreaking and larceny of gold from dentist's office, was arraigned yesterday before Justice Sidons in Criminal Division 1. He entered pleas of not guilty to both charges.

STRESSES LITERATURE.

Dr. Ballou Says Children Need Good Taste for Books. Schools should cultivate in children a love for good literature, Dr. Frank W. Ballou, superintendent of schools, told members of the League of American Pen Women at their book fair yesterday at Woodward's. "Literature is the business of education," said the superintendent, "to preserve, conserve and transmit the civilization of the past by means of books. The taste for good literature by introducing them to different types of books. This is one reason why it has been planned to open branches of the Public Library in our schools."

Brilliant Saturn Will Shine Now As Evening Star

By the Associated Press. CHICAGO, May 2.—Saturn, the ringed giant world, becomes the night evening star in the sky tonight when it will be at its closest approach to the earth for 1925. The planet's distance from this world is 821,240,000 miles, but Saturn is a big world, 73,900 miles in diameter, and so it will shine in first magnitude, in spite of its remoteness. It will rise in the southwest, just as the sun goes down, and will shine all night with a yellow, ruddy luster. Its brilliance is so great that it casts a reflection in water, like the moon.

Saturn, with its series of rings, is one of the most spectacular objects in the sky. The rings are not seen with the naked eye, but a glass whose power is 20 or more diameters will reveal them. The rings are composed of millions of small objects, minute moons, so numerous that from the earth they seem like continuous sheets.

TAKOMA ASSOCIATION WILL HOLD ELECTION

Citizens of Community Within D. C. to Choose Officers at Meeting Tomorrow Night.

The election of officers for the ensuing year of the newly organized Citizens' Association of Takoma Park, D. C., will be held in the Takoma Park Public Library, corner Fifth and Cedar streets. Nominations were made at the April meeting of the association. The officers to be voted on tomorrow night are as follows: For president, Charles H. Spencer, the present incumbent, and Dr. D. N. Shoemaker; first vice president, Horace W. Whitaker and H. K. Hobart; second vice president, Mrs. L. B. Burdette and E. L. Culver; secretary, Roy G. Jones and E. L. Culver; treasurer, Frank E. Reppert and Roy C. Pierce; financial secretary, Mrs. Horace W. Whitaker and L. B. Burdette; delegates to the Federation of Citizens' Associations, Jesse C. Suter, Dr. D. N. Shoemaker, the present delegates, H. L. Thornton and L. B. Burdette.

Printed ballots were sent to the members of the association last month by the election board, which is composed of S. H. McCrory, chairman; John F. Barchman, Thomas Jackson, L. B. Burdette and L. Jones. Great interest is expected in the election of the two delegates to the Federation of Citizens' Associations. The officers to be elected will represent the association since its organization a few months ago. Both have been non-first vice presidents themselves. Mr. Suter is president of the Federation of Citizens' Associations. Messrs. Thornton and Burdette are receiving strong backing from members of the association.

INSPECT AIR SERVICES.

Four officers of the post-war German Army, who were formerly flying with the German air service are in Washington preparing to make a general inspection of military and civilian aerial activities in this country. The visit was arranged with the approval of the War Department, but it was emphasized both at the department and at the German embassy that the party was a commercial and not a military commission.

You, too, will have a better time!

If you cover your floors with this famous, nationally advertised Gold Seal Congoleum Rugs. Their waterproof surface is easily cleaned with a damp mop. They need no fastening, never curl or "kick up" at the edges. If you wish to cover the entire floor, you can get Gold Seal Congoleum by the yard. Come and see our beautiful display of Congoleum. We have a large stock from which to select.

U. S. WOOD SAVING STUDY IS FINANCED

Secretary Hoover Is Leader of Move to Eliminate Timber Waste.

A nationwide move to study methods of industrial utilization of wood, with a view to reducing waste and conserving timber, was planned and financed yesterday at the first meeting of a national committee on wood utilization. Secretary Hoover told the gathering, made up of representatives of a half-dozen arts and industries in which wood is consumed, that a donation of \$50,000 had been made for the work by an anonymous giver.

As an illustration of what may be accomplished, Howard Andrews, representing the National Association of Railroad Producers, reported that by co-operation with railroads, the makers had been able to cut the replacement of ties from 325 per mile in 1920 to 90 in 1924. Reorestation, he added, was now beginning to furnish a large proportion of ties in use.

Mr. Hoover, in opening the session, remarked that the work of the committee was more important in that timber is now being consumed in the United States at a rate four times greater than it is being replaced by new growth. W. B. Greeley, chief forester, suggested that one method of waste elimination might be found in utilizing lumber mill waste for paper pulp. Several trade associations pledged cooperation in the committee's inquiry.

HARMAN LEFT \$400,000.

Widow, Children and Grandchildren Share in Estate.

The Washington Loan and Trust Co. was named as executor and trustee of the \$400,000 estate of Frank P. Harman, who died April 23. Mr. Harman owned real estate valued at \$11,000, and the balance in securities and other personal property. The trust company is directed by the will to distribute the income from the estate into 52 parts, giving 12 to the widow, Mrs. Eugenia E. Harman, 8 parts each to the children, Mary E. Snider of Salisbury, N. C.; Everett M. Harman, Williamson, W. Va.; Frank P. Harman, Jr., and Harris G. H. Daily. Another son, William H. Harman is to have six shares and one part is to be distributed among certain grandchildren.

FORMER OIL OFFICIAL INDICTED ON 15 COUNTS

Thomas C. Fuller Held for Embezzlement, Grand Larceny and Larceny After Trust.

An indictment containing 15 counts and charging embezzlement, grand larceny and larceny after trust, has been reported by the grand jury against Thomas C. Fuller, former officer of the Fuller Oil Corporation. Five different sums of money, said to have been entrusted to him and making a total of \$2,300, are alleged to have been diverted by Fuller to his own use.

The first three counts charged the larceny of \$800, December 23, 1925, the embezzlement of that sum and the larceny of the same amount after he had been entrusted with it for the benefit of the corporation. The next three counts deal with the sum of \$400 which Fuller is said to have used in January 19, 1925. Three counts each relate to the other alleged pecuniations of \$250, March 14, 1923; \$500, March 28, 1923, and \$350, April 10, 1923.

ST. PETER'S PLAYERS TO GIVE PLAY AGAIN

"Seventeen" to Be Presented Tomorrow Night for Benefit of Church Base Ball Team.

In response to public demand the St. Peter's Players will give another performance of Booth Tarkington's "Seventeen" in the St. Peter's Church parish hall tomorrow night at 8 o'clock. The proceeds will go to the boys' base ball team of the church. Two performances were given Monday and Tuesday nights. Patriotic honors went to Elizabeth Dugan and William Bray. Others in the cast are J. J. Brady, Blanche Lothrop, Margaret Beckloff, Aloysius Kane, Preston Campbell, Catherine Everett, Thomas O'Donnell, Robert Dillon, Francis McGaraghy, Margaret O'Connor, Louis Frick and Chris San Fellipo. Catherine Everett and Harry A. Chick have a duet selection and Ruth San Fellipo and Margaret Tappan have solo numbers in the piece. "Seventeen" was produced under the direction of Right Rev. John Carroll Moore, assisted by Alfred A. Gargaghy. Charles Richter had charge of the stage settings. Assisting him were Thomas Beach; Joseph Norton and Richard Everett.
