

KEEN-WHIDDEN-RYMER FAMILY CHART

It is interesting to note how these two families inter-married. James M. Keen married Elizabeth, born 1820, after the death of her two husbands. Frances, daughter of James, married John, son of Elizabeth. Andrew Jackson, grandson of James married Mary Elizabeth, granddaughter of Elizabeth. Please refer to the sketches on William Whidden and James M. Keen for more details.

NOTE: Broken lines denote a marriage while solid lines are for children in the above chart.
