

This is Elias E. Johnson, born Feb. 15, 1818, died August 24, 1884, whose biographical sketch appeared in Issue #1 of South Florida Pioneers. Due to extreme interest shown in his sketch by subscribers, and the poor quality of the picture presented with his sketch, this clearer photograph of him, a copy of a page from his Bible and a listing of the family data from his Bible are being presented this issue.
