WESLEY A. COKER 1834-1898

Wesley A. Coker was born in Madison County, Florida on Feb. 26, 1834, son of Daniel D. and Nicy (Taylor) Coker. He was enumerated in his parents' home in the 1850 census as "John W. Coker". This could have been an error or he could have been known in his earlier years as John Wesley A. Coker. But all records from 1854 give his name as "Wesley A. Coker".
