

8. Nancy Ann Hendry, born April 13, 1875; died March 29, 1896; married Bryan E. Henderson.
9. Mary Louise Hendry, born December 17, 1879; died March 5, 1880.

The family moved to Manatee County, Florida, but in 1872-73 Charles joined his cousins, Francis A. Hendry and Marion Hendry, in driving cattle herds below the Caloosahatchee River. In the winter of 1872-73, he lodged his family in a small cabin near what is now Immokalee. After the death of their daughter, Esther, Jane insisted on moving to Fort Myers so that she would have neighbors. After several moves, the Charles W. Hendry family took up a homestead south of the river and acquired title on February 10, 1883.

From 1883 to 1893, Charles continued in the cattle business. He spent much time in Key West where he handled cattle shipped in by the other Hendrys and Dr. T. S. Langford. His family made their home in Key West for a number of years. He was also engaged in shipping and owned schooners, which sailed into and from Caribbean ports.

Charles Wesley Hendry died July 14, 1893, at Fort Myers, Florida. On July 16, 1902, Jane L. Hendry applied for a pension as the widow of Charles W. Hendry from his service in the Seminole Indian War. She gave her address as Fort Myers. W. H. McLeod of Buckingham and T. T. Henderson of Fort Myers acted as her witnesses. Continuing her claim, William M. Hendry, who gave his age as 60, residence as Fort Myers, and P. O. address as Myers, Fla., gave an affidavit in her behalf on May 5, 1903. Her claim was approved at the rate of \$8.00 per month.

Jane Louise Hendry on September 4, 1907 applied for a pension as the widow of Charles W. Hendry of Capt. John Lesley's Company and the 4th Florida, C. S. A. On September 12, 1907, John Lesley and H. L. Crane, both of Tampa, gave a joint affidavit that they served in the same company and regiment with Charles W. Hendry. She was granted \$120.00 per annum.

Jane Hendry lived at present day First and Broadway Streets, Fort Myers. She died June 27, 1908.
