JOHN AND WILLIAM SONS OF ROBERT HENDRY

Compiled by Spessard Stone and published by JENIE Plus.

In this two-volume book, Mr. Stone has traced the descendants of John and William, sons of Robert Hendry, in depth, with a brief account of Robert and his other children.

He had done considerable research in original records, such as church, military, and governmental, establishing quite clearly the Hendry families served their God and their country with equal fervor.

This book contains an all-name-index - an essential tool for genealogical researchers. Also within are twelve pictures of various members of the Hendry family. It should be available August 1984. Price is \$39.95 including postage and handling. Florida residents add \$2.00 for 5% state sales tax. Order from GENIE Plus, P. O. Box 455, Bradenton, Fl. 33506.
