

1940 CENSUS OF SALTVILLE TOWN, RICH VALLEY DISTRICT (2 Sections), SMYTH CO VA

Jack Hockett, 1307 Wharton Drive, Newark, DE 19711

25 Jun 2012

Note: This is a simple transcription of the 1940 census, Saltville (Town), Rich Valley Dist. (2 Sections). Listed are: **Household Number, Name of Head of HH and remainder of household which constitute generally, wife, sons and daughters or otherwise** the relationship is listed (**mil**=mother-in-law; **fil**=father-in-law; **bil**=brother-in-law; **sil**=sister-in-law or son-in-law, as inferred by name; **gsn**=grandson; **gdau**=granddaughter, etc. Relationships sometimes become muddled and not related specifically back to the head of HH. The location of the person or family on 01 Apr 1935 is given here below only if other than Smyth Co (except occasionally for Marion persons). The handwriting and phonetic renderings of (especially the 2nd area) made for a very difficult transcription, so one is advised to check other censuses and sources. One wonders why there are so many "married" persons living single and also if indeed there were (in the 2nd district) so many who occupied the "same house" on 01 Apr 1935. This modest transcription is dedicated to Mr. Tom "Tomcat" Colley, researcher par-excellent of SW VA now in (hopefully temporary) "dormition" and other Saltville aficionados, e.g, Mme. Joye Boardman, Mr. Troy Taylor; Mme. V. Cuddy, Mme. A. Jenkins (and so many others here unnamed!)
